

Here are the instructions for the Adaptive Workout Builder:

Your 12-week training program is provided below. This program was generated based on the information you provided about your training goals, experience, and current strength levels.

**To chat with the program, scroll down to the bottom of your program and press "next" to bring up the chat feature.** You can use the chat to:

- Ask for your workout routine for a specific week
- Request exercise technique tips or exercise substitutions
- Get information about your training volume, intensity, or other metrics

Some example questions you can ask:

- "Can you show me my routine for week 2?"
- "What tips do you have for improving my squat form?"
- "What is my total volume load for week 3?"

Feel free to chat with the program anytime to get the support you need to optimize your training and reach your goals. Let me know if you have any other questions!
